Re: *Wilson v. LSB Industries, Inc., et al.*, Case No. 1:15-cv-07614-RA-GWG

Dear Judge Abrams:

Per the Court's September 28, 2018 order (Dkt. No. 163) requiring the parties to the above-captioned matter to submit by November 27, 2018 either their preliminary approval materials or a letter setting forth a request for an extension of the stay and proposing a new deadline for such materials, the parties state that they have drafted and executed a comprehensive term sheet for the settlement of this matter and are working diligently on finalizing the terms of the settlement and drafting the necessary settlement papers. The parties respectfully request that the Court continue to stay all proceedings and postpone all deadlines, except as to settlement-related matters, while the parties continue working on finalizing the settlement. The parties will endeavor to have all settlement papers finalized and be in a position to submit them for preliminary approval by December 19, 2018. In the event the parties have not submitted a motion for preliminary approval by that date, they will provide the Court with an update at that time.

Respectfully submitted,
